## Inter-Agency Task Team on Education

### International Symposium

## Can we be more effective?

### Strengthening Linkages between HIV&AIDS and Education and School Health and Nutrition (SHN)

Washington, DC. USA (Venue TBD)

0900 – 1800, Wednesday 30th November 2011

Committed to doing more and better with less, members of the UNAIDS Inter-Agency Task Team (IATT) on Education are convening in Washington, DC, to review, identify and articulate existing practices and evidences, opportunities and challenges, for improving the efficiency and effectiveness of education sector responses to HIV & AIDS through strengthening their linkages with school health and nutrition (SHN).

You are invited to attend our joint event: **Can we be more effective?**

During the Symposium, you will:

- Discover and identify the conceptual and practical synergies between HIV & AIDS programming and SHN programming;
- Learn about and share experiences of integrating HIV & AIDS-related activities and SHN into education systems;
- Discuss how to measure impacts and outcomes of HIV & AIDS and SHN programming;
- Discuss how existing policy priorities and frameworks support the integration of HIV & AIDS activities and SHN into education systems.

We look forward to seeing you there!

#### About the UNAIDS IATT

Established in 2002 and convened by UNESCO, the UNAIDS IATT on Education aims at improved and accelerated education responses to HIV and AIDS, through promoting and supporting good practices and through encouraging alignment and harmonisation within and across agencies to support global and

Save the Children

GLOBAL  
PARTNERSHIP  
for EDUCATION

All interested individuals and organizations are welcome to attend the Symposium. However, space is limited and places will be available on a first come/ first served basis. RSVP to Sheena Shah ([iatt@savechildren.org](mailto:iatt@savechildren.org))
