## **PROPOSALS FOR THE CELEBRATION OF ANNIVERSARIES WITH WHICH UNESCO COULD BE ASSOCIATED IN 2016-2017, AND APPEALS BY MEMBER STATES CONCERNING THEIR PROPOSALS**

### **SUMMARY**

Pursuant to 195 EX/Decision 25, the Director-General submits to the Executive Board the revised proposals by Member States concerning the celebration of anniversaries in 2016-2017 with which UNESCO could be associated and new proposals introduced by Member States from unrepresented or under-represented regions.

The financial and administrative implications of the activities fall within the parameters of the 39 C/5 document.

Action expected of the Executive Board: Proposed decision in paragraph 7.

## I. INTRODUCTION

1. The Executive Board, at its 196th session, decided to recommend that the General Conference endorse the list of 44 proposals submitted in documents 196 EX/25 and Addendum for inclusion in the calendar of anniversary celebrations with which UNESCO could be associated in 2016-2017, in accordance with the revised programme for UNESCO's association with the celebration of anniversaries, approved by its 195th session, and which was applied for the first time during this biennium.

2. The Secretariat informed the Member States concerned of the anniversaries it proposes to select, providing the relevant explanations. Member States which had already made proposals had a statutory period of two months as from the end of the 196th session of the Executive Board in order to reformulate, should they so desire, the requests that were rejected in this first exercise.

3. In accordance with 195 EX/Decision 25 of the Executive Board, Member States from unrepresented or under-represented regions had the possibility of submitting new requests during this period. For the current biennium, this applied to all groups except for Europe and North America. Consequently, the deadline for new proposals and/or appeals was set at 23 June 2015. **In total, one appeal and 12 new proposals** were submitted to the Secretariat by nine Member States.

4. Despite the new provisions for geographical balance and gender equality, the list of anniversaries proposed remains unequal. No anniversaries of female personalities and no anniversaries regarding the Africa region were proposed. Three proposals were submitted for the Arab States region, two proposals for Latin America and seven proposals for the Asia and Pacific region. Two additional letters of support have been received for anniversaries already selected by the last session of the Executive Board.

5. The Executive Board is now called upon to examine the list of new proposals, including those deemed admissible by the Secretariat after evaluation inasmuch as they meet the selection criteria in force (see 195 EX/Decision 25 of the Executive Board).

6. The Director-General submits to the Executive Board, for decision, the following proposals. The descriptions of each anniversary selected, together with the relevant historical and biographical information relating thereto, are set out in document 197 EX/30.INF.

## II. PROPOSED DECISION
