PROPOSALS BY MEMBER STATES CONCERNING THE CELEBRATION OF ANNIVERSARIES IN 2016-2017 WITH WHICH UNESCO COULD BE ASSOCIATED

OUTLINE

Source: 196 EX/Decision 25 and 197 EX/Decision 30.

Background: In 195 EX/Decision 25, the Executive Board adopted a revised version of the criteria and procedure for the consideration of proposals concerning the celebration of anniversaries in Member States with which UNESCO could be associated. Pursuant to this decision, the Director-General submitted to the Executive Board at its 196th and 197th sessions the proposals selected in accordance with the statutory criteria and procedure.

Purpose: The General Conference is invited to take a decision with regard to the recommendations made by the Executive Board concerning the celebration of anniversaries in 2016-2017 with which UNESCO could be associated.

Decision required: paragraph 4.

1. Following the adoption by the Executive Board, at its 195th session, of the revised version of the programme concerning anniversaries (195 EX/Decision 25) and in accordance with the statutory procedure for the selection of anniversaries, the Director-General submitted to the Executive Board at its 196th session a list of 44 proposals for inclusion in the calendar of anniversary celebrations for the period 2016-2017 (documents 196 EX/25 and Add.).

2. In accordance with the same decision, Member States from unrepresented or under-represented regions were invited to submit new proposals for the period 2016-2017 and to submit appeals, if they so wish, concerning requests that had been rejected in the first stage of the procedure. The Director-General therefore submitted to the Executive Board at its 197th session the revised proposals by Member States concerning the celebration of anniversaries in 2016-2017 with which UNESCO could be associated, as well as new proposals (document 197 EX/30).

3. The Executive Board at its 196th and 197th sessions recommended that the General Conference select for celebration the anniversaries proposed by Member States (a list of which is annexed to the present document), contained in 196 EX/Decision 25 and 197 EX/Decision 30.

4. The General Conference may wish to adopt a decision along the following lines:

The General Conference,

Having examined document 38 C/15,

1. *Encourages* Member States of all regions to make proposals in order to improve geographical distribution and gender balance, by also selecting eminent women, according to the criteria approved by the governing bodies;
2. *Recalls* that pursuant to 195 EX/Decision 25, the Member State(s) having made a request is responsible for the implementation of activities relating to the celebration of anniversaries and must also submit to the Director-General, on completion of the project, a detailed activity report on the results and their usefulness to the Member State(s) and UNESCO;
3. *Decides* that UNESCO will be associated in 2016-2017 with the celebration of the anniversaries listed in annex hereto;
4. *Also decides* that any contribution by the Organization to these celebrations shall be financed under the Participation Programme, in accordance with the rules governing that Programme.
